Chapter 1 by LuxCh3rry

"Nerd!"

"Four eyes!"

"Dwarf-girl!"

I ignored the sour names they threw at me, hiding my face with my long red hair so they couldn't see my tears.

If it wasn't for everybody else there, I probably would like school.

Zameer scuttles up to me, pulling on my arm, "Ouch! Zam, i'm coming!"

She shook her head violently, swaying her purple hair, "Brody's in the cafeteria, his dad bought the new anime for me!!!"

As you've probably guessed by now, Zam, my japanese friend, is addicted to Anime.

Brody, her boyfriend, is the richest kid in school and has no problem taking her to every anime-con and buying her every anime series.

I sigh, "Which series?"

Her eyes sparkle, "Heated Nights"

I stare, open mouthed, "B-But thats like, an 18+!"

she giggles, "I know!! I'm going to go over his house tonight and he is going to plug his iPhone into his 3D tv and we're going to watch it!!!"

I look at my feet, slightly disappointed.

I had been hoping to watch

Oblivious to my disappointment, Zameer rambles on about how great it is.
